

Dear Parent/Guardian,

Re: 18-19 Progress Report 2 – Now Available via Parent Portal (see over for how to access)

Now that we are nearing the end of the course for year 13, and the end of the first year for year 12, students should be making the most of all learning and revision opportunities and, for BTEC, completing all work to at least target grade.

Progress Report 2 is a short report which shows teachers' current assessment of *effort* plus their *predicted grade* for students, which is *the grade the teacher believes that the student will achieve at course end if they continue working as they have been to date*. May we add that even in the latter stages of students' courses, they can still improve their grade with the appropriate focus and effort.

If you have any technical problems, please contact proportal@cmcnet.ac.uk

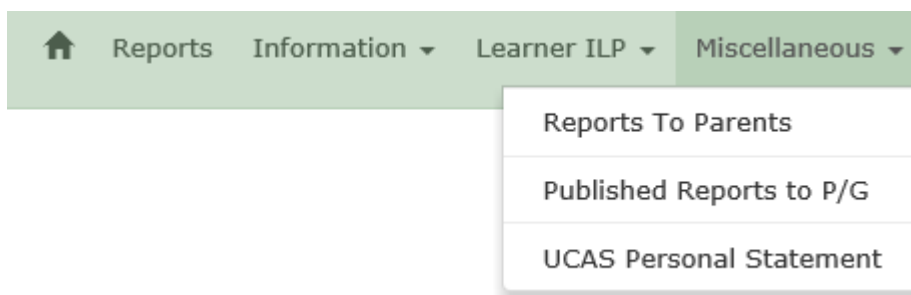

Thank you

Spencer Davies | Assistant Principal (Student Progression)

You can now access Progress Report 2 by following these instructions:

Go to Parent Portal - <https://parents.cmcnet.ac.uk>

Under Miscellaneous on the top right menu click on **“Published Reports to P/G”**

Then click on the download button next to the current report (This will be the SpringTerm Report)
